Dear Covenant Family,

We, as followers of Christ, are called to community and to service, each of us according to the gifts we have been given. How will you answer that call?

The theme for our Stewardship campaign this year is "Many Calls, One Calling." What are you called to at Covenant? It takes all of us and all of the many gifts that we have to collectively and individually respond to the calling from God.

Stewardship is certainly about giving, but it is so much more than that. We believe God has a place and purpose for each person in the church. Maybe you want to continue with a ministry, bible study, or mission/outreach that has fulfilled you for years. Maybe you want to find something new here at Covenant. Or there might be a ministry or faith formation opportunity missing at Covenant that you want to start. Either way, we encourage you to carefully and prayerfully consider the many different calls that give each of us unique ways to respond to the "one calling."

Enclosed you will find a Call Sheet to complete and bring to worship on Dedication Sunday, November 8th. Please, prayerfully consider how you will respond to the call from God in the coming year. If you are unable to return your Call Sheet in person on November 8th, then you may drop it in the mail, complete the electronic Call Sheet and email it to the Finance Secretary, or bring it by the church office.

We are grateful for our shared calling of serving God and God's people, and we are excited to hear how God is calling you in this season!

Yours in Christ,

The Stewardship Task Force
